

Additional resources

for families preparing their child for sacraments

A set workbook is necessary. However we encourage you to use whatever resources will assist you and your child in making your sacramental journey special and meaningful. Some extra resources are mentioned here:

- Various books for lending
 - See resource table at Parent Night
 - Parish library (situated within the church which is open every day from 7am til late in the evening)

- A wide range of resources – bibles, books, videos, CDs, posters, gifts – are on offer at Catholic/Christian bookshops. Some places to browse:
