

***This Easter,
We give thanks for...***

*Jesus has risen!
Alleluia!*

This is an **Easter Thanksgiving** poster to help you to celebrate the joyous season of Easter. Leave this sheet on the 'fridge door during the Easter season and invite all family members - from the youngest to eldest - to write down (or draw) a gift or blessing for which they are grateful. Visitors can join in too! Add as many pages as you like. At the end of the Easter season, gather together over a family meal and read out all the blessings in your lives. Remember: even sad and difficult times hold their own special gifts and blessings. Say (or sing) a prayer of praise to God.
